Supplies**

In response to the recent outbreak of COVID-19, Atlas has identified a few key products that would benefit our employees and our customers during this crisis. We partnered with several PPE companies and, using our supply chain expertise, we are quickly bringing these products to market for Atlas customers and the Metro Detroit community.

MICHIGAN MADE REUSABLE MASK

- *Atlas has teamed with local seamstresses to provide durable and comfortable masks that can be distributed to employees in the work place to slow the spread of bacteria.*
 - *Made from Non-woven Polypropylene material that shares many of the same characteristics as the N95 masks. If worn Properly, this mask is meant to help block large-particle droplets, splashes, sprays, or splatter that may contain germs, viruses, or bacteria.*
